Current surface user Richard Hutt showed me the top of the surface casing in his field. R2
He had hooked it with his machinery.

Spoke w/ Frank Walsh of Sterling who had worked with G-W-G in the past. G-W-G sold all assets in the '70s and the company dissolved. All principles are now dead. R2

~~7-5-91 Suggest attempting to secure~~

9-12-91 Sent letter to Hutt asking if he would be interested in digging down & cutting off. ERF funds may be available R2
