1 and 2 Hoxie wells
Key field, Logan County, Colorado

Gentlemen:

We have been advised by Petro-Lewis, Ltd. that the two above wells have been sold to Western Pipe and Supply Co. Inc. of Kimball, Nebraska and that neither well has been produced since September 1, 1959.

We wish to advise that notice must be given to the Director, and approval obtained in advance of the time when the owner or operator expects to recomplete or abandon a well or to change plans. Within thirty days after work done, a detailed report of the work done and results shall be submitted on Form 4 in duplicate for wells on patented and Federal lands.

Due to the fact that you have taken over these wells we will look forward to further reports from Western Pipe and Supply Co. Inc. We are enclosing forms 4 and 6.

Very truly yours,
OIL AND GAS CONSERVATION COMMISSION

D.V. Rogers, Deputy Director
