 VEGETATIVE COVER _____

Comment:

It appears that reclamation was conducted on the location. Gravel and the culvert have been removed. Some desirable perennial vegetation was observed on the location but bare ground was visible throughout the location as well as undesirable weeds. See attached photos.

Conduct additional reclamation on the location as required and continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management.

An additional inspection will be conducted during a future active growing season.
