

Well

October 31, 1956

Kansas-Nebraska Natural Gas Co. Inc.
Phillipsburg, Kansas

Gentlemen:

Reference is made to your Dalke No. 3 well located in Section 22,
Township 8 North, Range 54 West, Logan County, Colorado.

It is our understanding that this well was purchased from Plains Ex-
ploration Company in 1954. In order to keep our files up to date, we
would like to have a letter of confirmation on the purchase and the
production status of the well from that date to the present.

We note that your September, 1956 production report (Form OGCC-7) shows
the well as being in Johnson Hill field. We wish to advise you that the
well is located in Logan field.

Your earliest attention to this matter would be greatly appreciated.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO
