Gentlemen:

In a recent letter received from Donald K. Smith with the firm of Sandhouse & Sandhouse in Sterling, Colorado, we were advised that Mr. John Pivonka is no longer receiver of the State No. 1 well, NE $\frac{1}{4}$ SW $\frac{1}{4}$, Sec. 15, Township 8 North, Range 54 West, Logan County, Colorado; and that it had been assigned to Greenoak Oil Company.

This is to advise that a OGCC Form 10, Certificate of Clearance, should be filed on the well, showing change of ownership, after a purchaser for the oil or gas has been contracted for. If no purchaser is available, an OGCC Form 4, Sundry Notice, should be filed indicating the effective date of change of ownership and advising that no market is presently available for the production.

If you have any questions regarding the above, please contact this office.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

William R. Smith, Deputy Director
