Complaint Description

Location Of Concern:

3 wells operated by fritzler resources in the s2 of section 4, township 2 south, range 63 west in adams county. we own multiple lots impacted by the three wells, one of which has the address provided above. we also own the minerals produced by the wells.

Detailed Description Of the Issue(s):

fritzler resources inc. (operator no. 31257) has not reported and certified production and sale data to the ecmc since june, 2025. this prevents us from determining whether we should be getting paid royalties and/or whether fritzler is in compliance with our lease. it is clear fritzler is not in compliance with ecmc regulations or state statutes.
