**Last Name** hladky  
**Address** 13517 county road 20  
**City** fort lupton  
**State** CO  
**Zip Code** 80621  
**Email Address** patrickhladky@yahoo.com  
**Phone Number** 7203008852  
**Alternate Phone**

**Preferred method for the ECMC to communicate with you throughout the investigation:**

- Phone
- Email
- US Mail

### Complaint Description

**Location Of Concern:**

estimated lat & long: 40.130908 and -104.801038. near the driveway entrance to 13517 county road 20. there is an orange pipe protruding from the ground. there is a kpk line marker near this line.

**Detailed Description Of the Issue(s):**

there appears to be a potential gas line break or other gas leak creating a strong gas odor near the driveway of my property. an orange line is protruding from the ground in this area and may be the source of the odor. from a safety perspective, this situation is concerning. the strong gas smell is located adjacent to a fort lupton school district bus -off area. two young children walk past this location daily to and from their home and the bus stop at the edge of the driveway, which is marked with a posted school bus sign. john with the cdphe air monitoring team first discussed this concern with me approximately a month ago and, due to the ongoing nature of the issue, assisted me in filing a formal complaint with cdphe two days ago. given the proximity to children and regular foot traffic, this issue poses a potential safety risk and should be addressed as soon as possible.

**Is this an ongoing issue(s)?**

Yes  No

**Do you know who the oil and gas company is?**

Yes  No

**Well Or Facility Name**

**Well or Facility Number**

**Are there supporting documents you wish to upload?**

Yes  No
