Attention: Mr. Ben Spain

Gentlemen:

This is written with reference to the Federal forms filed by you for the No. 4 Hoye-Federal and No. 5 Hoye-Federal wells in Section 27, Township 9 North, Range 78 West.

We would appreciate receiving the information on these two wells on this Commission's forms as required by the Rules and Regulations.

On the No. 4 well there is no record at all. A completion report, OGCC Form-5, should be filed showing all work that has been done previously, and the work to be done should be shown on the Sundry Notice, OGCC Form-4.

The intention to drill the No. 5 well should be filed on OGCC Form-2.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION
OF THE STATE OF COLORADO

D. V. Rogers, Deputy Director
