Attention: Ken Boucher

Gentlemen:

This letter is in reference to Mr. Boucher's conversation on February 25 with Conoco's Alex Sas-Jaworsky concerning well numbering in the McCallum Unit.

On the attached Exhibit "A", we have listed McCallum Unit wells, their original well names, and the section, township, and range in which they are located.

If you need further information, please advise.

Very truly yours,

Mark K. Mosley
