Re: # 1 S.R. Ham
SW NW 20-10N-17 W
Sedgwick County, Colorado

Dear Sir:

Before we can approve your intention to drill, it will be necessary for you to furnish us with a plat (when available) and or information as to the exact location of your # 1 Ham well; specifically we need to know the footage location of the well as measured from section lines.

Also, this well is to be drilled in an area that is apaced as per our Order 179-1, copy of which is enclosed for your information.

Very truly yours,
Oil and Gas Conservation Commission

Jules DeSalvo, Asst. Petroleum Engineer
