General Comment:

On October 8th, 2025 Reclamation Specialist Corey McDonough conducted a Final Reclamation Inspection at PDC Energy's Booth 13-26 well location in Weld County, Colorado. The tank battery is associated with location ID #319105 and will be addressed in a separate inspection report.

Any Corrective Actions from previous inspections that have not been addressed are still applicable.

Refer to the final reclamation section of this report for additional details regarding the final reclamation status of the location.

Refer to the photo-documentation attached to this report.

Comment:

It was noted that crop establishment issues were observed at the well pad. Additionally, 6(s) doc #404192264 describes plugging of the Booth 13-26 well on 4/7/2025, per rule 1004.c(1). location cannot pass final reclamation until two growing seasons have observed no significant unrestored subsidence at the location. Location will remain in-process until it can be re-inspected during the next growing season.

Operator remains responsible for monitoring and managing this site until the location passes final reclamation, including storm water and weed management.
