Plugged and abandoned well As per bid \$6000.00

DATE	DAY WORK	REMARKS
10/29/96	0 hours	Moved rig on well. Couldn't raise mast because of wind.
10/30/96	0 hours	Hauled rest of equipment to well. Set in rig. Raised mast and poles. Hooked up lines. Rigged up on 2 3/8" tubing with Reda pump. Pipe was stuck in hole.
10/31/96	0 hours	Worked pipe. Waited for decision to be made to pump acid down 5 1/2". Drove to Sterling to get acid. Pumped down casing and followed with water. Could only get in 2 bbls water. Casing filled up.
11/04/96	0 hours	Worked tubing and were told to pull more. Pulled 2 joints of tubing and third joint pulled in two.
11/05/96	0 hours	Ran fishing tool down, but couldn't get on tubing. They had wrong fishing tool.
11/06/96	0 hours	Tried getting fishing tool on tubing. They still had wrong fishing tool.
11/07/96	0 hours	Ran different fishing tool. Got on tubing. Tried to pump down casing. The casing head with Reda pump cable in it wouldn't hold pressure. Dug out head and took off. Cut off cable down below head. Clamped to tubing to put on different head to pump through.
		Put on 2 3/8" head. Tried to pump a load of water down casing, but it built up to 1200#. Blew hole in casing. Mud started coming out casing head. Tried to work tubing loose.
		Had tubing shot off at 3350'. Couldn't get tool back down to shoot off cable. Started pulling tubing. Pulled 60 joints. Pumped 10 sacks cement out tubing at 3350'.
