RE: Edward Mike Davis Christianson 41-12, NE/4NE/4 Section 12, T 3 S, R 50 W,
Washington County, Colorado

Dear Mr. DiMatteo:

Reference is hereby made to the above well which was plugged and abandoned as a dry hole on June 16, 2001. Please be advised that effective October 10, 2001 Edward Mike Davis purchased the drilling rig and associated equipment used on this well from Development Drilling Company. A copy of the agreement is attached for your information.

While moving the rig off location, the attached "Tower Sheet" was found and forwarded to this office along with a clear copy verifying the same. The location of the cement plugs are shown thereon. Accordingly we are submitting an amended well Abandonment Report (Form 6) reflecting the location of the plugs and the number of cement sacks used. Also enclosed are the cementer's reports for the purchase of the cement.

This should fully comply with your request set forth in your October 7, 2001 letter mailed to this office.

Very truly yours,

Steve Chamberlain, agent for
Edward Mike Davis
