Photo shows current property is all owned by the same mining company. These sites have had initial recontouring completed, seeding and have maintenance dates. Chevron has been locked out to all the former leases and the current owner was unresponsive until recently. This is now an active gravel pit/mining operations and a change of land use has occurred.

The screenshot displays the Weld County Property Portal interface. At the top, the logo for WELD Weld County Property Portal is visible, along with the contact information: Property Information (970) 400-3650. The main navigation bar includes tabs for Layers, Legend, and Results. Below this, there are search and filter options: Search, Measure, Draw, Filter/Query, Tools, Advanced, and Planning Searches. A toolbar contains icons for Identify, Identify Options, Owner, Address, Account #, Parcel #, S-T-R, Subdivision, and Data Search. The central map area shows an aerial view of a landscape with a river and several parcels outlined in yellow. A purple rectangle highlights a specific parcel in the center. The sidebar on the left shows 'Identify results (1)' and provides details for the selected parcel: Owner: RAPTOR MATERIALS LLC, Account: R4381286, Parcel: 105703000027, Address, Subdivision, Section: 3, Township: 4N, Range: 66W, and links for Taxes, Property Report, Data Search, and Sales. The bottom of the screen features a 'Clear Results' button and a footer with copyright information for OpenStreetMap contributors, Microsoft, Esri, and others, and a note that the map is powered by Esri.
