Dan,

This remediation is located within a Bald Eagle Active Nest Site Half Mile HPH. If KPK has not yet confirmed with CPW KPK shall IMMEDIATELY STOP ALL ACTIVITY at this location until correspondence with CPW has occurred and CPW approves work at this location.

KPK has not submitted a Form 27 for this remediation since the Initial Form 27 was submitted 11/11/2022. KPK shall immediately submit a Supplemental Form 27 with documentation justifying backfill at this location. Since this remediation is located within a Bald Eagle Active Nest Site Half Mile HPH the Form 27 shall also include correspondence with CPW approving any BMPs for backfill occurring at this location.
