Re: Cougar Petroleum Corp.
Bond #863E 459A

Dear Mr. Richardson:

We enclose invoices numbered 85-182 and 85-183 from Donnelly Casing Pulling Company. The two invoices total \$15,060.41 for the abandonment work performed on the two wells. In my letter of 4-9-84 six (6) wells were listed. Since that time four (4) of the wells were taken over by other operators, therefore, the Cougar Bond can be released after payment of this claim.

There was no casing pulled or salvaged from either of these wells. Please make your check payable to Donnelly Casing Pulling Company and verify payment to this office. Prompt payment will be greatly appreciated. Please advise if there are any questions.

Very truly yours,

J. A. Mc Kee
Supervising Petroleum Engineer
