Gentlemen:

In Re: Poe #2, CSNSW  
Sect. 1 3 N 59W.  
Morgan County, Colo.

Enclosed is your OGCCform #4 for plugging the above well.

Under the Location item, I do not have the footage record stating exactly where this well was staked. Will you fill these items in?

In regard to Frank Svacina #1 - CNWNE 19 8 N 54W Logan County, I am returning your request as I have nothing on this well and am only operating the Poe #1 which was formly operated by Mr. Richard Shaheen.

*Shaheen*

As I understand, Mr. Shaheen is now in Texas and he should complete this report or have his successor do it. I do not have his address.

Yours truly,

Paul E. Ververs-Operator of Poe #1 Well.

PEV;ad.
