USFS official release letter & approved BLM FAN submittal:

Additional documentation is being submitted as a follow up to Form 4 Doc #404463633 which was submitted in response to Field Inspection Report Doc #714002105 and Corrective Action that "Operator shall provide signed documentation from the BLM for any work to be done, or not done, in a manner that does not comport with ECMC rules; documentation shall be attached to a Form 4 Sundry Notice for ECMC Staff review" in reference to final reclamation of the Federal 24-40-17 #1 access road. See attached official letter correspondence from the United States Forest Service (USFS), the federal surface owner and agency with primary jurisdiction over surface use (not BLM as stated in Corrective Action), stating that the well pad has been sufficiently reclaimed and Kinder Morgan is released from the reclamation requirements for the associated access road. The USFS letter was submitted to BLM as part of a Final Abandonment Notice sundry, which was approved by BLM on 3/4/36 (see attached).

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.
