CONDITIONS OF APPROVAL
for
Sundry Notice Dated 11/10/95

Operator: Chaparral Resources

Well No.: 9-4

Lease No.: COC-3638

Location: T4S R101W NESE S9

1. Upon completion of all well location and access road reclamation, including establishment of an adequate stand of vegetation, you will submit a final abandonment notice (FAN) notifying the BLM that the location is ready for release. Approval of the FAN is considered the final release of the location and will not occur until an onsite inspection has been completed by the BLM.
