Comment:

It was noted that surface equipment has been removed from the location however it appears no other reclamation efforts have been conducted.

Variance doc #260200028 has been submitted for the location seeking to waive Rule 1004.a, 1004.c.(1), 1004.d and 1004.e reclamation requirements and is currently under review.

Operator shall continue to monitor and manage this site until the location receives a passing final reclamation status, including storm water and weed management.
