**General Comment:****ECMC Inspection Report Summary**

On Tuesday 3/31/2026, I, Inspector Scott Ramsey, conducted a routine inspection/audit at Wexpro Wilson #6, at Location # 312844 in Moffett county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I observed well being plugged and abandoned, workover and associated equipment on location. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife black bear Management and Density habitat.

During this inspection the following possible compliance issues were observed:

1. Well head signage lacked information, pumper was adding correct information.

Refer to photograph of observed compliance issue.

A follow up on this site inspection will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
