The replacement Financial Assurance contribution total will be in addition to the Form 3A – Financial Assurance total Adjusted Financial Assurance Amount. The prior COA is the total FA held by ECMC and does not increase by the addition of the apparently missed wells listed in this transfer. This amount is PAST DUE and currently being discussed with Enforcement. Staff has made an exception in approving this transfer in the continued absence of Monument Gas' (Selling Operator) 2025 contribution, and the delinquency on Strachan Exploration's (Buying Operator) compliance on the above document/transfer COA for submission of the required Form 3 and the resulting replacement FA.
