Township 1 North, Range 64 West, 6<sup>th</sup> P.M.  
Section 29: NE/4  
Weld County, Colorado

Dear Owner:

Verdad Resources LLC ("Verdad") is required by the Energy and Carbon Management Commission ("ECMC") to complete a reentry and plug and abandon operation on the **Douthit 29-6** (the "Well"). According to Verdad's records, property of **Rentco LLC** has been identified as the surface owner in the lands where this well resides. The purpose of this letter is to inform you that Verdad, in conjunction with the ECMC, has undertaken an extensive review of the well and has determined that the well will need to have a workover rig on the well prior to new horizontal completions operations commencing in the area.

In conjunction with the work to be completed, Verdad requires temporary access on your property to complete the re-plugging and abandonment of the well.

Please contact the undersigned to coordinate access to the well and any questions at [justindescombes@gmail.com](mailto:justindescombes@gmail.com) or 720-840-8658. Should you not have any questions please sign below and return this letter as an acknowledgement of receipt of the notice and approval.

Sincerely,

**Verdad Resources LLC**
