**General Comment:**

On May 11th, 2026 reclamation specialist Corey McDonough conducted a final reclamation inspection at BMG Drilling Corporation's La Posta Canyon 1, Dorothy Gould 3 Location in La Plata County, Colorado.

Remediation project on location (project #20752) remains active. Location cannot receive a final reclamation status until all remediation projects on location are closed. Operator remains responsible for monitoring and managing this site until the location passes final reclamation, including storm water and weed management.

Refer to the final reclamation section of this report for details regarding final reclamation status of the location.

Refer to the photo-documentation attached to this report.

 VEGETATIVE COVER \_\_\_\_\_

Comment:

Location well pad and associated access road are progressing towards 1004 vegetation standards and is composed predominantly of mixed perennial grasses and some forbs.

Refer to the summary section at the beginning of this report regarding open remediation at the location.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including storm water and weed management.
