**General Comment:**

This is a desktop Final Reclamation Inspection in response to a Form 4 Final Reclamation Complete Notice (Doc # 404452953) using cropland drone documentation per the ECMC Operator Guidance.

This is a Final Reclamation Inspection for PA Well API#123-15392. The well was plugged and abandoned on 2/5/2019. The location is associated with an off-location tank battery under a separate location ID, 431017, which will be inspected at a later date.

Comment:

After reviewing the Operator-supplied drone imagery from 2025, the Operator has regraded and contoured the disturbance area and access road. More than two growing seasons have indicated no significant unrestored subsidence. The wells reflect the reference crop areas and meet Rule 1004 standards.

The tank battery associated with this location has a separate location ID (431017) and will be inspected on the ground at a later date.
