Corrective Action:

Date **06/30/2026**

Overall Final Reclamation **Fail** Well Release on Active Location Multi-Well Location

ECMC Comments

Comment	User	Date
A form 4 notice (404244447) cited final reclamation was complete and attached an aerial image of the location. It does not appear that an onsite inspection was conducted as the site does not meet the reclamation requirements. Operator needs to conduct onsite evaluations prior to submittal of a form 4 final reclamation notice.	CostaR	05/14/2026
