5/22 – Day #5 Updated Schedule / Operations Plan:
We have experienced a schedule change due to needing a replacement cement pump for Hidden Creek West 23-4. At this time, a replacement pump has not been secured for today, so operations on 23-4 are now expected to continue through Tuesday morning.
As a result, the move to HSC 4-21 will be delayed until 5/26 due to the Memorial Day holiday on Monday.
