Date:       05/26/2026       Time:       08:00       (HH:MM)  
Are Plugging Operations for this Well anticipated to last for longer than one day?       No        
If YES, briefly describe the planned activities and the estimated duration of these operations:  

5/22 – Day #5 Updated Schedule / Operations Plan:  
We have experienced a schedule change due to needing a replacement cement pump for Hidden Creek West 23-4. At this time, a replacement pump has not been secured for today, so operations on 23-4 are now expected to continue through Tuesday morning.  
As a result, the move to HSC 4-21 will be delayed until 5/26 due to the Memorial Day holiday on Monday.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct and complete.
