Tucker, Cody,

I am currently working through your Form 9 Transfers Document #'s 404611773 and 404651818. There are 5 gas compressor stations proposed for transfer.

ECMC transfers Gas Compressor Stations with a Form 12 , not the Form 9.

With your permissions I can remove these from the transfer list and proceed with the processing.

If you are not comfortable with that I will return these Forms to Draft and you will have to update them.
