General Comment:

On May 22nd, 2026 Reclamation Specialist Corey McDonough conducted a Final Reclamation Inspection at Swepi LP's McElmo Dome Unit CD 1 location in Montezuma County, Colorado. This is a follow up inspection to inspection doc #714001511.

It was noted that operator did not submit an FIRR document in response to the previous inspection report and corrective actions however, operator sent email with plans to address weeds and to submit a variance request.

It was observed during this inspection that previously observed corrective actions regarding Tamarisk on the eastern edge of the project area has been addressed. Furthermore, operator has submitted variance docket #251200268 requesting waiver of final reclamation requirements at the location.

During the inspection the following compliance issues were observed.
 - Weeds

Any Corrective Actions from previous inspections that have not been addressed are still applicable.

Refer to the photo-documentation of the observed compliance issues attached to this report.
